**Subject:** Mother Parkers Proposed Communications Aug 4, 2016 re: Jammin Java and Fifty-Six Hope Road

Good morning Bonnie,

As promised, attached for your review and consideration is a draft of our proposed communication statements and approach in connection with the situation, as it currently stands, between Fifty-Six Hope Road Music Limited and Jammin Java Corporation.

The statements in the attachment confirm and reflect our understanding that Fifty-Six Hope Road Music Limited has granted Mother Parkers the right to continue using the Marley trademark and associated trademarks in connection with coffee products for Canada (all channels) and the United States (office coffee services channel and any existing customers in other channels to whom we currently sell Marley coffee products).

If this is not the case, please immediately advise us as to what rights we have been

granted.

Sincerely,  
Heather
